"THE SCHOOL OF LIFE"

REST HOME AND SCHOOL

A large old-fashioned stone and brick building of twenty five rooms where men and women are reclassified and rehabilitated in mind and body. This is also a private institution for the treatment of mental, nervous and functional diseases—where addictions are cured. This School has none of the institutional features whatever, it reminds one of a large inn. Cases demanding Physicians, Medical or Surgical attention cared for.

WHAT DO YOU DO WITH THE OLD DIRECTORY

?

Why not take the old book home now that the new one is out. Many of our subscribers are doing this and tell us it is quite as necessary to have one in the home now as in the office.

Your Wife will find many uses for it. She can look up the people she meets and find out who's who in Des Moines. She will use it for invitations, addresses, streets, etc.

Your Daughter can look up her friends, their parents, club, church and society data, and miscellaneous information of all sorts. Find strange streets and exactly how to reach them.

Your Son will find it both interesting and instructive. It will settle many a friendly argument

The Old Folks can look up their old friends, the various facts concerning the city, and they will marvel at the city's wonderful growth.

You Will Use It Yourself
and the folks will thank you for bringing it home

The Sign over your door

IT is a good thing, isn't it? You would not think of doing business without it.

But it is only seen by those who pass your way.

The **City Directory** is where many people look when they want to find you. You should make it easy for them to find you by putting in the directory such information as a buyer wants to know. Index your business under all classifications where a customer might look for you.

To be properly registered costs less than to be left out.

Send for the City Directory Advertising Man and let him explain this to you in detail.
